

**BEAM Fieldwork Limited** is committed to data protection.

**BEAM Fieldwork Limited** owns and operates Give Opinions. Give Opinions is a trading name of **BEAM Fieldwork Limited**.

**BEAM Fieldwork Limited** is both a Data Controller (managing our Give Opinions participant database) and a Data Processor (when handling data for client projects under contract).

**BEAM Fieldwork Limited** has an appointed shared Data Protection Officer (DPO) who monitors compliance, informs and advises on all Company data protection obligations, provides advice regarding Data Protection Impact Assessments (DPIAs), and acts independently on behalf of all stakeholders without bias.

**BEAM Fieldwork Limited** monitors and updates processes, services, and documentation in response to additions and revisions to new and existing GDPR law and legislation. **BEAM Fieldwork Limited** monitors, reviews, and implements new ways to enhance business service offerings, with a commitment to delivering transparency to participants, suppliers, and clients.

Delivery partners, contracts, and performance are continually monitored and reviewed to ensure GDPR compliance throughout our supply chain.

GDPR, Data Privacy, and Security training is completed during employee onboarding, and at least once annually, to ensure all data is respected, kept securely, retained, and safely deleted in accordance with our Data Retention Policy.

**BEAM Fieldwork Limited** encourages participants, clients, and suppliers to familiarise themselves with GDPR, the law, and their rights by visiting the [ICO website](#)
